2 in 1 Multipoint Lock Casement
Window with Security Mesh
Invisible Strength, Visible Elegance

Tough Mesh Protection, Stylish Frame, Lasting Peace

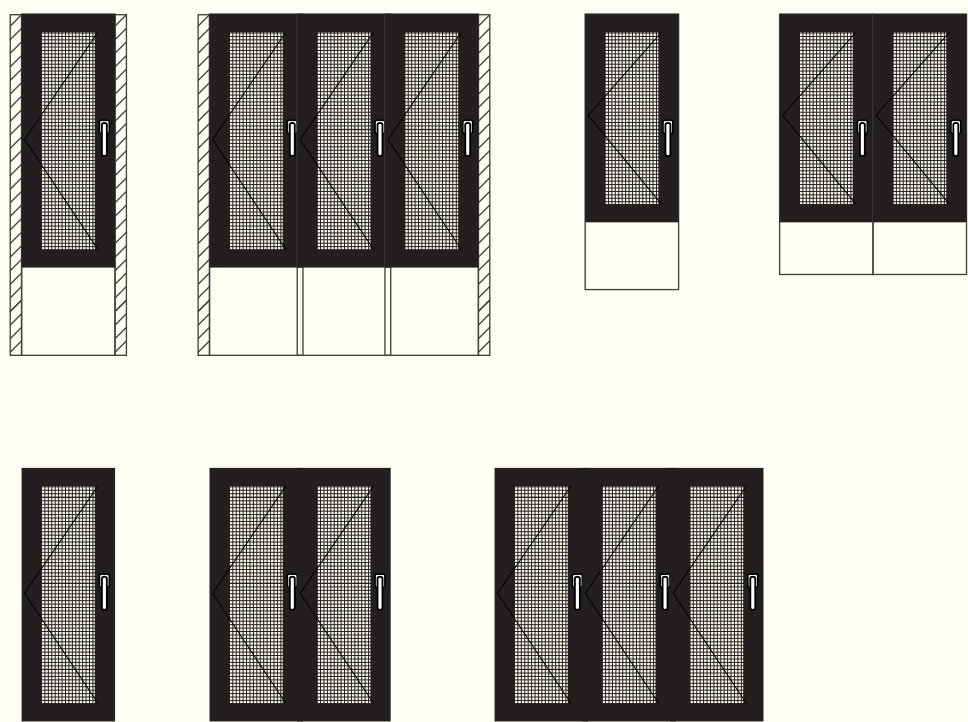

The mesh acts as a strong physical barrier against break-ins—built with high-tensile stainless steel or aluminum, it offers protection without the unsightly look of traditional grilles.

Product Features

- ✓ **Low Maintenance and Long Lasting:**
Rust-resistant and easy to clean, the mesh and window frame require minimal upkeep.
- ✓ **Modern Aesthetic:**
Slim, sleek frames and flush mesh designs blend seamlessly with contemporary designs – offering both form and function.

- ✓ **Built-In Bug Barrier for 24/7 Protection:**
No gaps, no flimsy nets – just strong, seamless mesh that stops insects day and night, even when windows are open.
- ✓ **Excellent Ventilation:**
Casement windows open fully outwards like a door, allowing maximum airflow.
